Mgr. TOMÁŠ JADRNÝ

FULL STACK SOFTWARE DEVELOPER

HELLO !

My name is Tomáš Jadrný and I have been developing applications for over 10 years so far. I am software developer specialized in creating modern Web Applications that I also like to analyze and design. Lately, I have been focusing more on applications architecture, trying to move to role of software architect.

👤 JOB EXPERIENCE

FULL STACK SOFTWARE DEVELOPER (SEPTEMBER 2018 - PRESENT)
FULL-TIME CONTRACTOR AT DIXONS CARPHONE

I was working as a part of various product teams that help deliver one of the biggest e-commerce platform (SOA) in Europe. I have been working with variety of different technologies, including Oracle Database, Couchbase, PHP (Symfony), JavaScript (Typescript + React), RabbitMQ and Docker. Part of the codebase is legacy, but newer application was created using Domain Driven Development.

WEB DEVELOPER (APRIL 2014 - SEPTEMBER 2018)
PART-TIME CONTRACTOR AT IN SOLUTIONS

II have been working on web applications in a small team using PHP (Laravel, Symfony), JavaScript (React) and mySQL.

.NET DEVELOPER (JULY 2015 - SEPTEMBER 2015)
PART-TIME EMPLOYEE AT FNZ

FNZ is a big software company with 250+ developers all over the world with its biggest development office in Brno. It creates software for insurance companies. I was part of a team that was delivering to AXA.

FREELANCE WEB DEVELOPER (2009 - 2014)

During this time I was working on my own directly with customers or as a external software developer for multiple projects.

💡 EDUCATION

MASARYK UNIVERSITY, FACULTY OF INFORMATICS

MASTER DEGREE IN SERVICE SCIENCE, MANAGEMENT, AND ENGINEERING

BACHELOR DEGREE IN APPLIED INFORMATICS

🏆 PROJECTS

E-COMMERCE PLATFORM - CURRYS.CO.UK

Currys is 2nd biggest British electrical retailer that sells and delivers eletronics to its customer. I was working as a part of teams reasponsible for order management , basket and checkout.

INFORMATION SYSTEM FOR ACCOUNTANTS - UCETNIPORTAL.CZ

Purpose of this project is to provide information about laws to accountants. Interesting things I was part of are complete redesign, forum and a chat.

ONLINE MARKETPLACE - SOURCEWATER.COM

Sourcewater is a online marketplace where Energy Operators, Service Companies and Landowners buy, sell, recycle, treat and dispose water.
